

# Children's Room Programs

January-April  
2012

*Welcome* to the Hubbard Public Library Children's Room. Our programs are planned to inspire your child to develop a lifelong love of books and reading.

In order to make our programs a pleasant and rewarding experience for everyone, we ask that you keep a few guidelines in mind:

- Pre-registration is required for ALL programs.

To sign up, visit the Children's Room or call 330-534-3512 ext. 4. Because group sizes are limited, we ask that you sign up only if you definitely plan to attend.

- Age appropriate activities are planned for each program. Please sign up for programs that are intended for your child's age group, and consider carefully when moving your child to the next age group. Allow your child to have a successful experience rather than feel uncomfortable.

- Some programs include snacks. Let us know when you sign up if your child has any food allergies.

- Photos are often taken at programs for library publicity. Patrons in photos will not be identified without parental permission.

- Please be courteous and silence or turn off cell phones during all library programs.

- Plan to arrive a few minutes before the scheduled starting time so we may begin promptly.

- If the library is a new experience for your child, try to visit prior to the first storytime session.

- The library occasionally closes in cases of severe weather. Call or check our website for closing information.

## Babytime
