

Hello and welcome to Hubbard Public Library's Home Delivery Service.

Please fill out the Home Delivery Application to help us learn about your reading/listening/viewing preferences. Also, never hesitate to call us with requests for books or other materials. We do our best to fill your delivery bag with items you have requested but if they are new items that are in high demand, we can only add your name to the waiting list, along with other Hubbard patrons.

You will see the white Hubbard Public Library Delivery van arriving once every four weeks, always on a Wednesday afternoon. We will provide you with a calendar of our delivery dates. If you have specific delivery instructions, please make sure to include them on the Home Delivery Application.

Fill out the next three pages and return to the library. Also, please feel free to make notes and include them in your return bag to help us better serve you. Should we send more items? Did we select a book or author that just didn't work for you? Did we send a video that really DIDN'T suit your viewing tastes? It is often easier to create your favorites list by knowing which titles you DO NOT care for. Do not hesitate to call us if you have any questions.

Thank you,

Amanda Balla, Adult Services Supervisor

In the Home Delivery Department, we keep a list of books you have recently read, so that we do not make the mistake of sending you the same title more than once. The only person who sees that list is the one selecting books for your next book delivery.

In the current atmosphere of public rights and privacy issues, we must have on file written permission to keep such a list. Please read the statement below and sign.

Thank you.

Please include any other information you would like to share with us and any specific delivery instructions in the space below. For example, if you would like contactless delivery, you are able to leave your bag at the door (as long as the area is covered to prevent weather damage) and we can switch the delivery bags. Please specify which door you would like us to deliver at. If you are not home and a bag is not left for return on delivery day, we will not be able to leave another bag without further instructions. You can call us at 330-534-3512 x-2 anytime during library hours if you need to make changes to a delivery. If you do not already have a library card, please include a copy of your photo ID and we will get you registered for a library card.
